The Healthcare Leadership Model Appraisal Hub is an online, user friendly system for measuring and providing leaders in healthcare with feedback on their individual behaviour and performance.
Introduction

What is the Healthcare Leadership Model Appraisal Hub?

→ The Healthcare Leadership Model Appraisal Hub is an online, user friendly system for measuring and providing leaders in healthcare with feedback on their individual behaviour and performance.

→ The hub enables you to complete a questionnaire based on the Healthcare Leadership Model that evaluates your self-perception of your leadership behaviour in the workplace.

→ Individuals who have chosen to participate in the 360° Questionnaire will also receive feedback from their ‘raters’; other people (peers, direct reports, line manager, and others) whom they have invited to provide observation and comment on their leadership performance and behaviour.

→ The results are presented to you in a report which will be provided by an accredited facilitator as part of a dedicated feedback session.

→ The report will give you an indication of your current leadership performance and behaviour as seen by yourself in comparison with your raters.

→ Through exploration of the report with your facilitator, you will gain a real insight into your areas of strengths and limitations and begin to construct a development plan from which to enhance your effectiveness as a leader.

Why am I being asked to complete this questionnaire?

→ The questionnaire provides an opportunity for you and the people you work with to rate your leadership behaviours within your work place. This will help you to develop and make sustainable improvements to your performance at work.

→ The questionnaire can be used to provide a starting point for discussion and increased awareness at an individual, team or organisational level.

→ The report can provide you with an increased awareness of both your strengths and limitations in the workplace. It can highlight areas where you may have overestimated your performance as well as areas you may have neglected.

Step 4.

Changing the Date

→ This option enables you to change your proposed 360 Questionnaire completion date which in turn will change the completion date shown on the emails your raters receive.

→ However, there will be no indication of a date change automatically sent to raters, you will have to do this by selecting Resend Email on the rater screen.

→ It is also important to note that nothing ‘happens’ if you miss your finish date. It has no significance other than to set the date for the auto reminder and completion emails to go out.

Change the date of your questionnaire

Choose a new time for your questionnaire to finish.

This must be at least 2 days in the future, but we recommend you allow at least 3-4 weeks in total to complete the 360 process.

Please note that your raters will not be automatically notified if you change your finish date. You can send them a reminder from your rater page if you would like to let them know.

Once you click on the date it will bring up a calendar to select the date from.

Then press Set finish date.
Step 5.

Starting your Questionnaire

→ After clicking on Start my questionnaire, you will be asked nine questions based on the nine dimensions of the Healthcare Leadership Model.

→ If you have Direct Reports you will also be asked to answer a set of 34 questions about the team you lead.

→ The questionnaire should take approximately 15 to 30 minutes to complete. However, if you are unable to complete the questionnaire in one sitting, you can log out and log in at a later date to continue from the point at which you left.

→ Throughout the questionnaire, you will be asked to select a level which accurately describes your behaviour and also to rate the importance of each dimension to your job role.

→ Please note that there are no better or worse answers, and the level of behaviour and rate of importance will vary depending on the requirements or limitations of your specific job role. Try to provide your most natural responses to the questions.

Before you start your questionnaire, you will be asked if you have any Direct Reports.

Do you have any Direct Reports?*

[ ] Yes
[ ] No

If you have directs reports, there are some additional questions for you to complete.

*A Direct Report is an individual for whom you have a direct responsibility to lead.
For questions related to the nine dimensions, you are given a brief description of the dimension to read. Then, each question consists of two parts.

- For the first part, please read the descriptions and select the option that **best describes your behaviour** in relation to this dimension.
- For the second part, you are asked to **rate how important** the dimension is to your job role.

One you have selected your answers, click **Save and go to the next dimension**.

Once you have answered all the questions, you will be asked to confirm your ratings. You will be able to see the answers you have given for each question on a summary page and amend them if needed. Once happy with your answers click the **Next** button at the bottom of the Summary page.

If you are happy with your responses, please continue to the next section. Your responses to this section will then be saved and may not be changed.
You will then have the option to click **Next** to continue or go back and amend your answers. Once you click **Next** you will not be able to return to this section.

If you answered **Yes** to having **Direct Reports** you will now be asked a series of **Impact questions** about the team you lead.

Once you have answered all the questions, you will be asked to submit your questionnaire. You can click the **Next** button to submit or the **back** button to go back and make any changes.
You will now receive a message screen informing you that the questionnaire is **complete** and asking you to select your **raters** and **facilitator** if you have not already done so.

You will also be asked to answer a few evaluation questions about the service. This will only take a few minutes. If you wish to answer these questions you can click on the **Next** button.

If you prefer not to complete these questions, please click on the link provided which will take you to request your report.

---

**Questionnaire complete**

Thank you - you have successfully submitted your questionnaire

**What happens next?**

We would also like to ask you a few questions to help us evaluate the service we offer. This should take just a few minutes and we would really appreciate your feedback. Please click **Next** to begin. If you would prefer not to complete the questions, click here which will give you the option to request your report. Please note that you will still be able to request your report after completing the evaluation questions.

---

At the end of the evaluation questions there is a **Next** button to submit these answers.

---

**Thank you for your feedback**

By clicking **Next** your responses to these evaluation questions will be submitted, once submitted you cannot return to this page.
Step 6.

Choosing a Facilitator

→ You will need to select a facilitator in order to receive your report which will be presented to you as part of a dedicated feedback session.

You have not selected a facilitator yet. Please choose one.

Choose facilitator

→ Through exploration of the report with your facilitator, you will gain a real insight into your areas of strengths and limitations and begin to construct a development plan from which to enhance your effectiveness as a leader.

→ You will be presented with a screen requesting you to Select Facilitator.

→ If you know the facilitator you would like to choose, enter their surname (or part of) into the Surname starts with field.

→ If you do not know a facilitator, select a region in the drop down menu to find a list of facilitators in the region most convenient for your feedback session. Click Search.
A list of facilitators will appear based on your search criteria. You can click on the column headings to sort by city or organisation to help you search. You can then choose a facilitator by clicking the Select this facilitator button that will be displayed on the right hand side of the screen, next to the facilitator of your choice.

The facilitator will then be notified automatically by the system of your request.

Please note that it is still your responsibility to contact the facilitator directly to arrange a mutually convenient time and date for your facilitation session.
Step 7.

Choosing Some Raters

→ The 360 Questionnaire enables you to invite anyone within your work environment to provide you with feedback on your performance and behaviour as a leader. The people you choose to invite are known as ‘raters’.

→ The raters will complete the same questionnaire (with you in mind) that you have completed and an additional four free-text questions. We recommend that you add between 10 and 15 raters.

→ Direct Reports will also be asked to answer a set of 34 questions about the team you lead.

→ Their comments in the four free-text questions will be printed in your report exactly as written. The four free-text questions are as follows:

1. What do they do well in their role as a leader?
2. What do they do less well in their role as a leader?
3. How could they improve in their role as a leader?
4. What other advice could you offer them?

Rater Categories

→ The raters you choose will fall into the following categories:

• Line manager: the person to whom you report. This category is mandatory.

• Peers: colleagues and fellow team members, probably at a similar job level, with whom you work.

• Direct reports: those for whom you have a direct responsibility to lead.

• Others: anyone else you would like to receive feedback from.
→ Click **Choose some raters** to invite people to rate you.

This questionnaire is due to be completed by Tuesday, 6 Jan 2015

Create the raters for your questionnaire

You have not yet added any raters to your questionnaire

![Add a new rater](image)

→ To invite people you will need to add the **email address** and **name** of the individual and select their relationship to you.

![Create the raters for your questionnaire](image)
→ Please ensure email addresses are correct, as the system is unable to verify these for you.

→ Click Add Rater. You will be taken back to the previous screen.

→ To send their invitations Click Send Email alongside each rater.

Your chosen Rater will then receive a system-generated email describing the process you are inviting them to take part in and a link to the Healthcare Leadership Model Appraisal Hub to enable them to begin rating you.

Without sending this email, your Rater will not be aware that you have chosen them and will be unable to begin the process.

Within the questionnaire home screen, there is a status for each rater (as seen below) which will update accordingly as they complete their ratings of you.

- When they have rated you it will be marked as Completed.
- You can also send reminders to your raters by clicking on the Resend Email button. The system will also send a reminder automatically when 50% of your completion time is remaining.
Rater Anonymity

→ The ratings and comments from your raters are presented anonymously in your report. The only visible description of the rater will be their relationship to you (Line manager, Peer, Direct report, Others).

→ However, as most people only have one Line manager and your Line manager must rate you before you can request your report, your Line manager’s ratings and comments will be identifiable in your report.

→ It is recommended that you choose at least three peers and three direct reports as raters, although this is optional.

→ If there are fewer than three raters in either ‘Peers’ or ‘Direct reports’, these will be disguised by moving them into the ‘Others’ group. If ‘Others’ still contains fewer than three raters then ‘Direct Reports’ will also be moved into this group. This means that the reader cannot recognise any individual’s input, which would be easy to do with one or two raters for each relationship.
Step 8.

Requesting Your Report

→ Once you have completed all of the above steps and at least one Line manager has finished rating you, the Request My Report button will appear. Click this only when you are happy that no one else needs to rate you.

→ If you would like your raters to have additional time to complete their ratings, you can change your completion date to allow them to do this.

→ Clicking the Request My Report button will send it to your chosen facilitator, ready for your face to face session.

Your report is ready for process. You can request your report from your chosen facilitator.

☑ You will not see your report until you participate in your feedback session with your facilitator.
